# TERMS & CONDITIONS

1. All horses in this sale are offered according to the laws of the State of Iowa and all transactions between the buyer, consignor, and Midwest Classic Horse Sale, will be governed by the laws of the State of Iowa.
2. The highest bidder shall be the buyer. If a dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there is no advance bids, the horse will be sold to the person from whom the auctioneer recognized as having the last bid. Bids received after the fall of the hammer are not grounds for dispute. Bids acknowledged by bid spotters are recognized as if tendered to auctioneer. The auctioneer reserves the right to reject any and all bids.
3. Terms of the sale are cash, cashier's check or personal check accompanied with a letter to credit, no exceptions. Driver's license or some other form of positive identification will be required for check. Payment in full must be made to the cashier immediately after the sale. Make settlement with the cashier of Midwest Classic Horse Sale. Payment to others, including consignors or their representatives, is not recognized as settlement.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders.
5. Title passes at the fall of the hammer, at which time the buyer assumes all risks and responsibilities for the horse, and such constitutes delivery of the animal, which shall be contingent upon buyer presenting himself to the cashier to make settlement. The buyer agrees to indemnify and hold the consignor and Midwest Classic Horse Sale harmless from all loss, cost and expense arising from the illness, injury or death of persons caused by the buyer, the buyer's agents or employees, or by the animal subsequent to the time of purchase.
6. All transfers will be filled out in full. All registration papers will be withheld by the sale management until all checks clear the bank. At such time, they, along with transfer certificates, will be mailed to the buyer. If any buyer desires to obtain registration papers immediately, the horse must be paid for in cash.
7. All expenses relating to the horse incurred by Midwest Classic Horse Sale after the hammer falls will be paid by the buyer. All court costs, filing fees, expenses of collection and all expenses of insuring, maintaining, transporting or reselling any animal incurred by the consignor arising from the buyer's default will be paid by the buyer.
8. The sale management and auctioneer do not act as agents for or represent either buyer or seller, but merely provide a medium for bringing together buyer and seller for the purpose of sale transactions.
9. Every effort has been made to assure the correctness of the catalog, and, in most cases, information quoted concerning the horses is taken from

official breed records. However, the sale management and auctioneer are not responsible for errors or omissions and assume no liability on its part or on the part of the seller as to any statements, whether verbal or written, regarding horses sold. All announcements from the auction stand take precedence over printed material.

10. A Negative Coggins Test will accompany each horse. Coggins papers for transportation purposes are given when horses are paid for. Coggins must be dated within six months of sale date.
11. Sellers' checks will be held for five business days then mailed to consignors. Any incomplete paperwork will result in check being held until paperwork is completed.
12. Any horse rejected because of the 72-hour soundness guarantee is to be returned to Midwest Classic Horse Sale or the consignor by the purchaser. Midwest Horse Sale will do everything possible to help, but in no way is responsible for the return of the rejected horse.
13. It is the responsibility of the seller to provide DNA on bred mares to the new purchaser. Checks will not be given until all DNA testing is done.
14. Care for all horses sold follows to the new owner once the gavel falls. It is the responsibility of the new owner to make sure the animal is taken care of until loaded out. The crew at Midwest Classic Horse Sale will be happy to assist anyone in this task.

Green broke as a 2 year old but we used her as a broodmare. She was in foal this year but sluffed the foal. We rebred her but she did not get pregnant. She will need a breeders stitch after she is bred and a caslicks after she is confirmed in foal. We have not done this in the past but did give her breeders stitch after we rebred her this year since she sluffed the foal. Genetic Testing GBED N/N - HERDA N/N - HYPP N/N MH N/N - PSSM1 N/N.
